

In The Spotlight

Ms. Roma Lynne Bergeron

My name is Ms. Roma Lynne Bergeron. I was raised in Iota, Louisiana and graduated in 1978. I married and had one child, a daughter, Julia Kate. When my daughter was in the 5th grade, I decided to go to college and pursue a teaching degree. I had been employed as a Special Needs Paraprofessional for 5 years at Eunice Jr. High School and knew teaching was what I wanted to

do and be remembered for. Over the course of 7 years, I attended college classes at night and during the summers until the year 2000 when at that time I proudly marched onto the stage with my Co-Hearts of McNeese State University and received my Bachelor's degree. Today I live in Jennings, Louisiana and teach Universal Pre-K at Welsh Elementary, in Welsh, Louisiana. I have been teaching at Welsh for the past 8 years and I love every minute of it! I recently became an Award Co-Chair Person for LAECA and I am very proud to represent the South! I am also proud to say my hard work and dedication was noticed by my daughter as she became a Kindergarten teacher in 2005. Today, she teaches in Church Point, Louisiana, is married and has given me two beautiful grandchildren, John Patrick and Leah Kate.

My love of children and watching their faces as they succeed in their endeavors is the most rewarding experience for me. I believe children must be given the opportunity to learn in a warm, caring, loving and consistent environment with the tools, skills and strategies necessary for preparing them for a world filled with opportunities. All children are important and all learning is important. Please join me in my continued journey to love and educate children as we set the stage and give them a strong foundation of early learning.
